A REFRESHING WAY TO BEAT THE HEAT!

The Ultra II Bunn machines can be purchased, leased option to buy, or rented; \$55.00, \$65.00, and \$75.00 respectively per month, a \$0.01 to \$0.02 cost per oz based on 8 cases per month.

Laszlo Corporation created "Menrathwine Slushie" the summer of 2006 and perfected over 12 flavors. All flavors are registered with the Treasury Department and Laszlo is licensed as a "Bonded Wine Cellar". The "Menrathwine Slushie has been trialed at: Working Women Survival Show, Taste of St. Peters, The Blast at Newtawn, and in 2011 at Busch Stadium home of the St. Louis Cardinals. On October 19, 2011 became a "World Series" product sold in the "Dugout Concession Stand" and it is a Winner!

"Menrathwine Slushie" set sales records in May, June, and July, the true test was the heat that Mother Nature brought, so hot, people preferred to stay inside, but those that did venture out bought our product and enjoyed the refreshing flavors and cold slushie texture. **Laszlo increased customer business by 25% on summer alcohol sales.**

Laszlo's goal is to take "Menrathwine Slushie" nationwide and introduce it to other Major League ballparks, Horse Race Tracks, Soccer Stadiums, and one day the Olympic Games.

The advancements made from 2006 could not have been accomplished without the public's support. The surveys we conducted at countless festivals, trade shows, and charity events received top honors. The product is a natural and when Wineries, Restaurants, Ballparks, and Theme parks trial it, they realize what a success it is. That is what we want to introduce to all retail establishments, packaged super market sales and restaurants.

A delicious way to beat the heat is making its way to a loca-
